Professional Competence with a Caring Attitude

*An easy to follow self-learning package that will result in all your staff having the **ability to demonstrate** a basic understanding of infection control in aged care facilities.*

*We all know how to brush teeth, don't we? We have done it all our lives.
There is no need for special training?
Residents don't have teeth so they don't have problems?*

*WRONG - WRONG - and WRONG again.
Correct dental hygiene is critical for
good quality of life at any age.*

A simple and easy to follow video complete with self learning format that will allow all your staff to gain vital knowledge at minimal time and financial cost.

This learning package will:

- . Easily be incorporated into orientation programs
- . Allow staff to view and complete in a timeframe of their convenience
- . Enable training to reach ALL staff including those unable to attend traditional in-house programs
- . Form a basis upon which you may measure performance or competence in oral care
- . Provide you with documentation to demonstrate that staff do know what is required.
- . Provide truly cost effective outcomes.

**Produced with the assistance
of a qualified dentist and dental
hygienist and endorsed by the
Australian Dental Association**

This Self Learning Package contains:

- An 12 minute video/DVD
- A printed companion manual containing a series of questions that staff are able to answer
- An electronic copy of the manual

All for **only \$88.95 DVD** including GST, delivered right to your door. You will not find a more economical way of providing all of your staff with this vital training. If you have previously purchased this package in the VHS format and would like to move to DVD you can do so for the special **upgrade** price of **\$31.95**. The upgrade includes a DVD of the video which also contains an electronic copy of the manual.

This self learning package covers areas that could be linked to the following Expected Outcomes as defined in the *Aged Care Principles* of the *Aged Care Act 1997*

Standard 2.15 Oral and Dental Care

Expected Outcome: Residents' oral and dental health is maintained.

1.7 Inventory and equipment
